-- INTRODUCTION --

The structure and hierarchical order of the USSR Ministry of Defense and its subordinate organizations, provided in this directory, is based on: 1) the grammatical structure of the position titles listed for Soviet officers in USSR, Russian language media sources, unless otherwise indicated; and 2) the chart "The Structure of the USSR Armed Forces" published in IZVESTIYA in Russian on 22 February 1990 in the First Edition on page 1. Unless an individual or organization is explicitly referred to as being either superior or subordinate to a given organization, he or it is not listed as such.

The Directory does not provide a complete listing of all personnel or organizations in the Ministry's structure.

The next higher organization in a given hierarchy is listed to the right of the organization name, and is placed in square brackets, i.e. [...].

In order to preserve the integrity of the spelling of names, the Russian soft sign is indicated by the use of an apostrophe.

Honors and awards have been excluded from both individual and organizational titles. Capitalization is adjusted to standard English style. Thus while the original source listed the following school in this manner:

"Kiev higher tank engineering order of the Red Star school  
imeni Marshal of the Soviet Union Yakubovskiy I. I."

the directory carries the listing as follows:

KIEV HIGHER TANK ENGINEERING SCHOOL i MSU I.I. YAKUBOVSKIY (n 14  
Nov 89 in KVS 22/89 p 10).
